

# Quick Fudge

Printed from Fudge Recipes at <http://www.fudgerecipes.co.uk/>

*This is possibly the most simple fudge recipe ever. This recipe is a very simple, plain fudge recipe, but you could jazz it up a bit with chopped nuts, honeycomb, chopped fruit, liquor – anything! Use this recipe as a base and then feel free to adapt it to your tastes.*

## Ingredients:

450g plain chocolate drops  
1 400g tin of condensed milk  
1 tsp. vanilla extract

## Directions:

1. Grease and line a 20cm square dish.
2. Put the chocolate and the condensed milk into a large microwavable bowl. Microwave on a high heat in 30 second increments for around three minutes, until the chocolate has completely melted.
3. Stir the mixture well until it is completely smooth. Beat in the vanilla and then pour the mixture into the prepared dish.
4. Chill the fudge down and then cut it into squares.
